Free CV Review

Need a professional to give an honest opinion on your CV? Simple. Take advantage of our FREE CV Review Service! Send in a copy of your CV to cv@jobbook.lk and one of our professional CV writers will assess it and email you with their suggestions as to how it could be improved to ensure it is viewed more positively by a prospective employer. One of our CV writers will look carefully at a wide range of important criteria, from common mistakes to content and presentation and deliver a review indicating exactly what can be improved – and where.

CV Writing

Jobbook.lk CV writing service provides a top-quality, one of a kind resume customized for you, ready in 3-5 days in four career levels with 100% Satisfaction Guarantee.

Choosing your career level is easy. Just follow the guide below.

Entry Level -

If you have fewer than 1 year of overall work experience – no matter which field you're in or position you're seeking.

Execute Level -

If you have fewer than 3 years of overall work experience – no matter which field you're in or position you're seeking.

Managerial Level -

If you have more than 3 years of overall career experience within any industry if you're seeking a Director level position or above.

CXO Level -

If you are seeking – or have previously held – one of the following positions: A director level position, Senior Management, Vice President or if you are a consultant, self-employed, a doctor, or attorney.

Here's how Jobbook.lk creates your CV.

A Telephone Consultation -

A personal resume and branding strategy session with your CV writer to discuss your CV, career history, positions / opportunities you want to target, and job search goals.

Resume Creation and Review -

After crafting your new resume and submitting it to our senior consultant for review, we deliver your CV draft within 3-5 business days for your review. We will make any revisions you would like until you are 100% satisfied and in happy with your new resume.

Delivery of Final Document -

You will receive your new CV in the two most popular formats Microsoft Word and Adobe PDF.
